At Kate McLean Homecare our primary aim is to enable clients to receive care in the comfort of their own homes.

We are a NZ owned private business and pride ourselves on delivering a high standard of service appropriate to the needs of our clients.

**We are committed to:**

Providing regular communication between care management and the client/family to ensure the best possible on-going care.

**Our services:**

- Personal Care
- Companionship
- Post-operative Care
- Hospital stay and discharge
- Palliative Care
- Sleepover or night duties
- 24hr Care

**Our caregivers:**

Our professional caregivers are dedicated to each one of our client's overall well-being. Caregivers are selected for their kindness, commonsense, competence, compassion, tolerance and sense of humour.

We have a wonderful team of skilled caregivers who ensure constant communication between the company and the client/family.

Please **call us** on **(09) 579 1212** to discuss care options and to arrange a free no obligation assessment.
